B2B Integration
as Service

SSPL

boomi
Powering the Data Economy

Key Industry Challenges
(Lack of Integrated Visibilty)

- **Data silos as the major challenge**
- **Legacy system is major bottleneck**
- **Discrete system hurting customer experience**
- **Inability to digitally transform leading to negative growth**

Our Expertise
(How can we help you?)

- **Multi-Technology Expertise**
- **50+ Certified Developers**
- **Knowledge Base**
- **Best Practices Report**

ENGANGEMENT MODEL

CONSULTANCY SERVICE → **INTEGRATION SERVICE** → **TECHNOLOGY SERVICE** → **MANAGED SERVICE** → **DIGITAL INTEGRATION**

- B2B Integration Strategy roadmap
- B2B Consolidation or modernization

- B2B Implementation Service
- SOA based Implementation

- B2B Upgrade & Migration
- API led Connectivity

- Complete B2B Managed Service
- Application Support & Maintenance

- Mobile/Digital Channel Integration
- API Based B2B Integration

INTEGRATION CENTER OF EXCELLENCE

- Lightweight Consistent Governance
- Reusable Components
- Stable Monitored Environment

Center of Excellence

- Continuously Improving Processes
- Strong & Skilled Team
- Best Practices and Design Standards
